

WORKLIGHTS

EW2025R

Outdoor Pedestrian Boundary Line

ECCO's EW2025R Outdoor Boundary Line is designed for use outdoors and establishes a safety zone around the perimeter of a vehicle or heavy equipment with a solid, red beam of light. Supplement safety and warning lights with this compact device that installs easily and produces a powerful beam that will grab pedestrians' attention. Running with 12-80 VDC and engineered with a rugged, vibration-resistant housing, the EW2025R is designed to accommodate virtually any application.

Models

PART NO.	VDC	LENS COLOR	LED COLOR	AMPS	WATTS
