

PRECLEANER MADE IN USA

turbo II HD

FOR WORK IN EXTREME ENVIRONMENTS

turbo® II HD features:

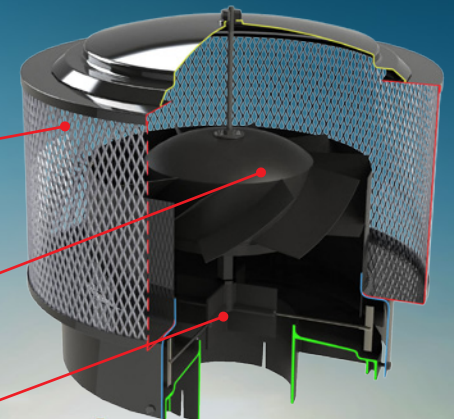

- Same great features as the turbo® II with an added layer of protection
- Additional Prescreen increases the debris catching surface area by more than 3 times
- Prescreen captures airborne debris - Leaves, Paper, Chaff, Plastic Bags, and other large airborne materials
- Easily cleaned without having to take unit apart
- A necessity for landfill and agriculture applications
- turbo® HD prescreens available on turbo® II Model 46 and Model 68
- turbo® HD prescreens available as a retrofit kit for existing turbo® II Model 46 and Model 68

Rugged steel construction with 3 times the debris catching protection

Top down airflow design

Lifetime warranted spinner
